

Bring your Luxury Hotel experience to your Home with the DesignArenas MasterCard collection.

DesignArenas is the first European shopping service to sell luxury hotel goods online.

You have probably already come across that marvelous hotel bed, those sublime satin sheets or that beautiful lamp while traveling... Via this website they will all be within reach now. Discover our dream collections and bring hotel luxury into your home; or snap up that unique gift for family or friends. DesignArenas will make sure that your order is delivered to your home anywhere in the world and with 100% customer satisfaction.

The DesignArenas selection for MasterCard is suitable for all-year round promotion + focus on Christmas gifts at year end. The collection is updated permanently with new quality products.

DesignArenas in conjunction with MasterCard is offering card holders a splendid collection of lifestyle and design worthy of the leading European luxury and design hotels. Benefit from this exclusive offer: for each item you buy, you will receive a discount or design gift worth up to 15% of the article's purchase price. Your gift will be dispatched with your order at no extra cost. This offer is valid all year round and the collection of select products is updated at least quarterly.

Cardholder Redemption Details

When shopping on the special MasterCard free gift offer is automatically applied. When a special discount applies, an action code is always supplied on the product page, this action code can be entered on the shopping cart page in order to see the applicable discount automatically applied.
