

## Unwind in elegance at the charming Hotel Fasano São Paulo where relaxation and gourmet cuisine await you

For more than 100 years, the Fasano Family has epitomized the finest in Italian heritage in Brazil. The hotel is considered the most elegant in São Paulo and is ideally situated in the Jardins. Designed by Isay Weinfeld and Marcio Kogan, it boasts daring 30's-style, elegant architecture in which contemporary design converges with a wealth of classical details such as epoch furniture and an English brick façade. Surrounded by luxury shops and fashionable restaurants, the Fasano is just blocks from the business districts of Paulista and Faria Lima Avenues. Hotel Fasano São Paulo hosts both the Fasano Restaurante, under the outstanding guidance of Brazil's number one restaurateur, Rogério Fasano, serving traditional Italian cuisine from its Milan origins and the Baretto featuring a live international Jazz band and the Nonno Ruggero, which with its large terrace, serves breakfast, lunch and dinner in a casual atmosphere. The health club, a rooftop retreat with stunning views, features a pool, ôfuros, Jacuzzis, sauna, steam room, massage and fitness center.

Known for its hospitality, Brazil's Hotel Fasano São Paulo's design is a recreation of 1930's style and elegance where contemporary features converge with classic architecture. All hotel rooms and suites overlook the magnificent view of São Paulo's Jardins district. Located between two main avenues, Paulista and Faria Lima, the hotel is nestled near upscale shops such as Armani, Louis Vuitton, and Cartier. The hotel is also home to two well-known eateries – Fasano, regarded for its Italian cuisine, and Baretto, where guests can enjoy jazz.
