

Premium MasterCard® cardholders will enjoy priority-seating status at the Fasano Hotel restaurants

The trio of restaurants created under the direction of hotel impresario Rogerio Fasano is widely recognized as presenting Sao Paulo, Brazil's best in Italian and French cuisine, uniquely styled to modern taste. The Restaurant Fasano, located on the ground floor of the Hotel Fasano, is the flagship restaurant, promising to blend novelties for the palate with fundamentals of the best traditional cooking. Five menus are offered, each representing a distinct representation of regional Italian cooking. An extensive wine list is also noted to be one of Brazil's most comprehensive. At Gero Restaurant, a less formal menu is fashioned in the style of a bistro a cote. And Restaurant Parigi rounds out the portfolio, offering a family-friendly venue yet still maintaining the highest standards for remarkable cuisine.
